Toolless Wire Seal

Ideal for sealing applications with small diameter holes

- No tool needed to seal
- Made from durable acrylic plastic
- 4 ply .009 diameter stainless steel wire
- Features large flag with heat stamped "SEAL" and digit number (factory chooses starting number)
- Last 3 digits of seal number are laser etched onto insert for added security
- Available in 8" and 12" lengths
- Choose from Red, Dark Blue, Dark Green, Yellow, Orange or Gray
